RE: Replacing the test report and test set-up photo
FCC ID: S8QUPD-3
Applicant: Olympus Medical Systems Corp.
Form 731 Confirmation Number: EA557439

To Whom It May Concern:

This letter is to inform that the revised test report and the test set-up photo have been uploaded.
The wrong certified body logo was placed in the front page of the test report, and it has been removed.

Also the test report number is changed from JK10060009 to JK10060009 (R1).

The test report number indicated in the test set-up photo has been changed along with this change.
