RE: Temporary Confidentiality

Dear Examiner.

In reference to the application under FCC ID: S9G2XX2-XXX, and pursuant to sections 0.457 and 0.459 of CFR 47 and to avoid premature release of sensitive information prior to marketing or release of the product to the public, the applicant requests the following documents contained in this certification application be temporarily withheld from public disclosure for an additional period of 45 days:

External Photos  
Internal Photos  
Test Setup Photos

Ruckus Wireless understands that the original temporary confidentiality expired and the documents became visible on September 17, 2007 and the documents are still currently available to the public. They state they have not yet marketed the product and wish to reinstate the temporary confidentiality.
