

Date: 2017/06/07

To: Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD

FCC ID: S9GH320

To Whom It May Concern:

This letter is to establish that the Ruckus Wireless, Inc. H320 Access Point is the unit used for conducting FCC compliance testing. The DoC part will be tested by Bureau Veritas Consumer Products Services (Hong Kong) Limited, Taoyuan Branch / E2, No.1, Lixing 1st Rd., East Dist., Hsinchu City 300, Taiwan, R.O.C.

If you have any question or concerns, please contact us.

Sincerely,

The seal is circular with a blue border. Inside the border, the text "DELAWARE CORPORATION" is written at the top, "RUCKUS WIRELESS INC." is in the center, and "380823" is at the bottom.
