Subject: FCC ID: S9GR510 Regulatory Statement Clarification

The regulatory statements document provided with the Ruckus R510 [FCC ID: S9GR510] is used for multiple models that are approved by the FCC. This document contains a section titled "External Antenna Notice". This section only applies to the model numbers specifically listed in this section. It does not apply to the R510, as the R510 does not support the use of external antennas.

If you have any questions or concerns, please contact me.
