Subject: FCC ID: S9GT710 Regulatory Statement Clarification

The regulatory statements document provided with the Ruckus FCC ID: S9GT710 is used for multiple models that are approved by the FCC. This document contains a section titled "External Antenna Notice". This section only applies to the model numbers specifically listed in this section. It does not apply to the S9GT710, as the T710 series does not support the use of external antennas.

If you have any questions or concerns, please contact me.

Sincerely,
