## DFS Software Version Attestation

Re: FCC ID: S9GVF7XX1

We, Ruckus Wireless Inc., hereby declare that the production release DFS software marketed for sale in the United States will be the same as the DFS software that was modified to pass the DFS tests at the FCC Lab. The DFS software will be locked to the version used at the lab for DFS testing.

Software version name: 5.3.0.1.XXX, where XXX may be any number.

Sincerely,

Craig Owens  
Director, Hardware Engineering
