Dear Sir/Madam,

Project and Product Certification Representative Authorization and description of PC II Change

We, [Ruckus Wireless, Inc.](#) hereby authorize Bay Area Compliance Laboratory Corp to act as a laboratory for testing and test report generation for the following project(s):

[FCC ID: S9GVX2XX1, Model: ZX2XX1](#)

We affirm that between BACL and [Ruckus Wireless](#), any difference in understanding, including test plan, measurement methods, applicable standards and relevant procedures and processes have been resolved prior to commencement of testing activities.

This project is a **Permissive Change II submission** for the purpose of adding a new panel antenna with gain 4.5 dBi to the original submission. This product will be designated model: ZX2X25. Ruckus Wireless, Inc attests that no other changes have been made to the EUT. Accordingly, only those tests and data affected by this change are included with this submission (Radiated Spurious Emissions). Please see submitted PC II report for further information.

We also hereby authorize [Shirley Cui](#) (Sales Representative of Bay Area Compliance Laboratory Corp.) to act as Agent on our behalf in all matters relating to product certification submittal to Bay Area Compliance Corp., as a Certification Body for the purpose of performing product certification services for the above listed project(s).
