

WELCOME AND REGISTRATION

Thank you for purchasing this AcousticSheep product — you're going to love it. Please take a few minutes to go to www.SleepPhones.com/warranty-registration and register.

- Product Updates – allows us to contact you with important product notifications
- Confirmation of Ownership – provides a record in case of product loss or theft
- Improved Product Development – helps us continue to design products that make you happy

BATTERY

This AcousticSheep product contains a rechargeable lithium ion battery. It should only be charged with the charging cable provided with this product. Lithium batteries last longer if they are charged after every use. They do not need (and prefer not) to be fully discharged before recharging. AcousticSheep provides a battery replacement and recycling service that you can access through our website. Please DO NOT attempt to open this product or replace the battery yourself. Opening the product voids the limited warranty.

CARE AND WASHING

Remove speakers before washing fleece headband. Machine wash warm. Tumble dry medium. Do not iron, bleach, or dry clean. Avoid fabric softener which reduces wicking.

Insert the speakers when the band is dry. The right speaker is red

and the left speaker is green. The white side should be against your ears. Insert speakers about four inches, then insert the gray wireless Bluetooth® receiver before closing the Velcro. Adjust for fit. Visit the www.SleepPhones.com/video for video instructions.

SLEEP MUSIC

SleepPhones® iPhone® App is available in the iTunes store.

Just search for "SleepPhones." Sleep music downloads are available at www.SleepPhones.com.

WARNINGS

WARNING: SleepPhones® may be a strangulation hazard.

They should not be used by children, the elderly, or by anyone who may strangulate on the cord.

WARNING: Use of a headset that covers both ears will impair your ability to hear other sounds. Use of such a headset while operating a motor vehicle or riding a bicycle may create a serious hazard to you and/or others, and is illegal in most states and regions.

 **WARNING:** Exposure to high volume sound levels may damage your hearing. The louder the volume, the less time is required before your hearing could be affected. You may experience different sound levels when using your headset or headphones with different music and different devices. If you experience hearing discomfort, you should stop listening to the device through your headset or headphones and have your hearing checked by your doctor.

To protect your hearing, hearing experts suggest that you:

- Set the volume control in a low position before putting your headset or headphones on your ears and use as low a volume as possible.
- Avoid turning up the volume to block out noisy surroundings. Whenever possible, use your headset or headphones in a quiet environment with low background noise.
- Limit the amount of time you use headsets or headphones at high volume levels.
- Turn the volume down if the sound from the headset or headphones prevents you from hearing people speaking near you.

LIMITED WARRANTY

www.SleepPhones.com/warranty

What Does The Warranty Cover?: AcousticSheep® warrants that its products shall be free from defects in materials or workmanship, with the exceptions stated below.

What Is The Period Of Coverage?: This warranty runs for one year from the date of purchase. The term of any warranties implied by law shall expire when your limited warranty expires. Some states and/or Member States in the European Union do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

What Does The Warranty Not Cover?: This warranty does not cover any defect, malfunction or failure that occurs as a result of: improper installation; misuse or failure to follow the product directions; abuse; or use with improper, unintended or faulty equipment. Specifically, this warranty does not cover the battery, which may wear out with normal use. In no event will AcousticSheep be liable for personal injury, or any incidental, special, indirect or consequential damages whatsoever arising out of or related to your use of the product, however caused, regardless of the theory of liability (contract, tort or otherwise) and even if AcousticSheep has been advised of the possibility of such damages.

Also, consequential and incidental damages are not recoverable under this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

What Will AcousticSheep Do To Correct The Problem?: AcousticSheep will, at its option, repair or replace any product that proves to be defective in material or workmanship. If your product is no longer being manufactured, or is out of stock, at its option,

AcousticSheep may replace your product with a similar or better AcousticSheep product.

How To Get Warranty Service: To get a covered product repaired or replaced, you must contact AcousticSheep during the warranty period by email (service@acousticsheep.com), or via the Contact Us form on www.SleepPhones.com. You must include in your email, your name, address, email address, telephone number, date of purchase and a complete description of the problem you are experiencing. If the problem appears to be related to a defect in material or workmanship, AcousticSheep will provide you a return authorization and instructions for return shipment. Return shipments shall be at the customer's expense, and the return must be accompanied by the original proof of purchase. You should track the shipment as appropriate because you are responsible for the product until it arrives at AcousticSheep.

How Will State Law Affect Your Rights?: This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Please note that in the European Union, you as a consumer might have other legal rights under national legislation of European Union Member States governing the sale of AcousticSheep's goods. Those rights are not affected by this guarantee.

The above limited warranties and remedies are sole warranties and remedies available to purchaser, if, and to the extent, valid and enforceable under the applicable law.

CUSTOMER SERVICE

The answers to most setup and performance questions can be found in the FAQs at www.SleepPhones.com.

If you live in North America and still can't find the information you need, please call our customer service team for assistance before returning the products to your retailer under their return policy.

AcousticSheep LLC.

FCC NOTICE TO USERS

FCC ID: S9HZJRNFY10

Changes or modifications not expressly approved by AcousticSheep LLC could void the user's (or your) authority to operate the equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

For the product FCC registration label, please see the Bluetooth® wireless module contained inside of the headband.

FCC Caution:

To assure continued compliance, any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. (Example - use only shielded interface cables when connecting to computer or peripheral devices).

CE DECLARATION OF CONFORMITY

AcousticSheep LLC declares that this product is in compliance with:

- The essential requirements and other relevant provisions of Directive 1999/5/EC
- All other relevant EU Directives.

 In compliance with WEEE Directive (2002/96/EC), please dispose of this product by taking it to your local collection point or recycling center for electronic devices.

FCC Radiation Exposure Statement:

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 0.5 centimeters between the radiator and your body.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

The antennas used for this transmitter must be installed to provide a separation distance of at least 0.5 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter.
