Attention: Application Examiner
 Reviewing Engineer

Confidentiality Request , Application for a combination DTS/U-NII Access Point
Applicant: Airgo Networks Inc.

FCC ID: SA3-AGN1201AP0000

To whom it may concern,

Request is hereby submitted, on behalf of my client Airgo Networks Inc. to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

Schematics
Block Diagram
Operational Description
OEM Module Installation manual

Note: this request for confidentiality updates the 31 August letter by adding the OEM module installation manual.

Rationale for request for confidentiality:

Airgo has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.

If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N. COKENIAS
EMC Consultant/Agent for Airgo Networks Inc.
