Contains Transmitter Module FCC ID: SAPMESSENGER

This device complies with Part 15 of the FCC Rules. Operation is subject to the following conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by Computerized Security Systems, Inc. could void the user's authority to operate the equipment. This product needs to be kept 20cm from the body due to RF exposure.
