

Description of Permissive Change

This report is prepared for FCC class II permissive change. The difference compared with the original design is only changing the platform.

Note:

The following models are provided to this EUT and identical to each other except for their models and color of enclosure due to marketing requirement.

Brand	Model No.
Uniwill	259Kly (The "y" in the model could be defined as 1~9 to denote different color of enclosure.
