Subject: Unit Label
INSTEON™ Hub – INSTEON® Central Controller #2242-222
FCC ID: SBP22422
IC: 5202A-22422

The label template is enclosed in a green border. At the top, the brand name 'INSTEON' is displayed in large, grey, spaced-out letters, with a blue power button icon and a registered trademark symbol (®) to the right. Below this, the model name 'Hub' and the model number '2242-222' are shown in large black font. The central text block contains technical specifications: 'Model: 22422 FCC ID: SBP22422 IC: 5202A-22422', 'Rated: 100-240VAC, 50/60Hz; 10W For indoor use only. Class II', and 'Utilisation d'intérieur seulement.' It also states 'Tested to comply with FCC standards for Home or Office use. For use with 20A maximum branch circuits. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.' To the right of this text is a square icon with a smaller square inside. Further right are the FCC logo, the ETL logo (with 'C' on the left and 'US' on the right), and the Intertek logo with the number '4006165'. At the bottom of the label, the website 'www.insteon.com' is on the left, 'Protected by US and Foreign patents' is in the center, and 'Made in China' is on the right.
