Subject: Application for FCC Certification – Explanation of Absence of Compliance
Statements in Unit Label
RemoteLinc™ 2 - INSTEON® Wireless Controller #2342-2
RemoteLinc™ 2 - INSTEON® Wireless Controller #2342-3
FCC ID: SBP23422

To Whom It May Concern:

This letter is to comply with Section 15.19 pertaining to FCC compliance statement in the product unit labeling. RemoteLinc 2 - INSTEON Wireless Controller #2342-2 and RemoteLinc 2 - INSTEON Wireless Controller #2342-3 and is sized such that printing the compliance statement on the unit label is impractical. Unit dimensions are 66.5mm (2.63 inch) by 32.9mm (1.3 inch). These dimensions make the device much smaller than the palm of the hand, which is the reference point for the exemption of the statement on the label.

We have inserted the statement into the User Manual, pursuant to the Section's requirements. If you have any further questions or need additional information, please feel free to give me a call at 949-221-0037 ext. 138

Sincerely,

A handwritten signature in dark ink, appearing to read "Matt Meyer", with a long horizontal flourish extending to the right.
