Gentlemen:

This letter is to notify you that testing has not been completed for the AC power line, carrier current system portion of this equipment. The date of this testing has been set for May 1, 2010. I hereby declare under penalty of perjury that the testing will be performed on or before 1 year's time. If testing is not completed during this time frame then I understand that this application for certification could be revoked.

If you have any further questions or need additional information, please feel free to give me a call at 949-221-0037 x147

Sincerely,
