Subject: Unit Label
 On/Off Outdoor Module
 Model: 2634-222
 FCC ID: SBP2634222
 IC: 5202A-2634222

I N S T E  N®	
On/Off Outdoor Module	Model: 2634-222
FCC ID: SBP2634222 IC: 5202A-2634222	
Conforms to ANSI/UL Std. 508-2005 Certified to CAN/CSA Std. C22.2 #14-05	
Input/Entrée: 120VAC, 60Hz. Output/Sortie: 120VAC, 60Hz, 15 Amps Max.	
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.	
Approved for General Purpose Loads (Resistive, Tungsten, Ballest, Transformers)	
Rainproof Rated: NEMA Type 3R Enclosure	
Estimations de charge de rendement, Type antipluie clôture de 3R	
YYDD Rev. 3.x XX.YY.ZZ	 Intertek 3195911
Protected under U.S. and foreign patents www.insteon.com <i>Made in China</i>	

Specs: Width - 3.19 inches (81 mm)
 Height - 1.57 inches (40mm)
 Suitable where exposed indoors to high humidity or occasionally exposed to water.
 Maximum temperature rating 80 C (176 F)
 Minimum temperature rating -23 C (-10 F)
 UL Recognized Listing # MH13600
