RE: LED A19 Light Bulb
Model: 2672-222
FCC ID: SBP26722A
IC: 5202A-26722A

Subject: Declaration of Model Number Change

Dear Regulatory Authority:

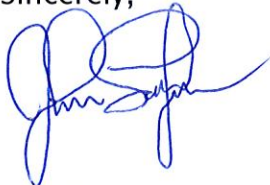

Between the dates of lab testing and report generation (Oct-2013) and the time Smartlabs is proceeding with certifications (Mar-2013), SmartLabs has changed the model number for marketing purposes.

We certify that the LED A19 Light Bulb that was used in the test reports and was marked as Model: 2672-452 is identical to Model: 2672-222, which will be used on products sold into the United States and Canada.

1. The date of lab testing was October 21-22, 2013
2. The Part 15C lab report was October 30, 2013
3. It is hereby declared that the equipment tested is electrically identical to model 2672-222 that will be marketed.
4. The external photos of sample tested and provided with the application for certification will be the same as the product marketed by SmartLabs, Inc.

If you have any further questions or need additional information, please feel free to give me a call at 949-221-0037 x132

Sincerely,

John Lockyer
Sr. Product Development Manager
SmartLabs, Inc.
