Re: Request for Short –Term Confidentiality for exhibits for Class 2 Permissive Change  
Sections 0.457 and 0.459 of FCC Rules

Applicant: Sonos Inc.  
FCC ID: SBVRM001

Hello,

On behalf of my client Sonos Inc., I request the following items be kept away from public view for a period of 45 days after grant is issued:

- Test setup photographs
- Antenna location photographs
- Antenna data sheets
- Theory of operation

The reason for this request is that Sonos would like to maintain product confidentiality prior to product launch and still be able to distribute authorized equipment.

If you have questions please contact the undersigned.

Sincerely,

Thomas N Cokenias  
Agent for Sonos Inc.
