Dear Andy,

For Sonos FCC ID: SBVRM006, 731 Confirmation# EA679440 (DTS) and EA568299 (NII)

Sonos requests to change grant defer date to **Feb.3, 2013**.
I have updated grant defer date in 731 forms.

STC(short-term confidentiality) is also updated to **Mar. 5, 2013**.
I have uploaded the attached revised short-term confidential letter to FCC site today.
Since the grants are not issued yet, I could not update STC in FCC site.
Pls kindly revise STC date in 731 forms of EA679440 (DTS) and EA568299 (NII).

Our engineering dept. is evaluating reports to see if any additional testing needs to be performed per new KDB.
We might have to submit revised reports to FCC again.

Thanks,

Claire Hoque
