Dear Stanley and Andy,

After further discussion, Sonos decided to release FCC grants(SBVRM006) this year. The new grant defer-date is Monday, **December 24, 2012**. I have updated grant defer date in FCC site.

FCC ID: SBVRM006, 731 Confirmation# EA679440 (DTS) and EA568299 (NII)

I will upload this email to FCC site as cover letter of grant defer date change.

STC(short-term confidentiality) was already upload to FCC site yesterday. Please kindly update STC to **Mar. 5, 2013**, sorry, I could not edit STC date in FCC site.

Thanks,

Claire Hoque

Hello Claire,

You need to upload the new grant defer date to **Feb.3, 2013** to the cover letter exhibit for both applications EA679440 (DTS) and EA568299 (NII) into the Equipment Authorization System (EAS).
