

NORDIC ID HH83 PRODUCT INTERNAL PHOTOS

INTENTION AND PURPOSE OF THIS DOCUMENT IS TO SHOW THE INTERNAL PHOTOS OF THE NORDIC ID HH83 UNIT

The product/system described in this documentation may be operated only by personnel qualified for the specific task in accordance with the relevant documentation, its warning notices and safety instructions. Qualified personnel are those who, based on their training and experience, can identify risks and avoiding potential hazards when working with these products/systems.

Nordic ID products may only be used for the applications described in the user manual and in the relevant technical documentation. If products and components from other manufacturers are used, these must be recommended or approved by Nordic ID. Proper transport, storage, installation, assembly, commissioning, operation and maintenance are required to ensure that the products operate safely and without any problems. The permissible ambient conditions must be complied with. The information in the relevant documentation must be observed.
