

April 1st , 2019

Federal Communications Commission
Washington, DC 20554.

Dear Sir or Madam:

Pursuant to CFR§ 2.1043, Nordic ID Oyj hereby requests a class II Permissive change for Nordic ID RFID module NUR-0W1 with FCC ID: SCCNUR0W1.

Nordic ID would like to integrate this module into portable host device designed by Nordic ID.

Host device name / model is Nordic ID EXA21, 818-4A.

Also Nordic ID would like to integrate into this same host device another FCC certified module:.

Bluetooth module MDBT50Q-P1M designed by Raytac with FCC ID: SH6MDBT50Q.

Nordic ID has not modified FCC certified modules NUR-0W1 and MDBT50Q-P1M in any way.

Sincerely,

Rauno Nikkilä
Certification Specialist
