

January 9th , 2018

Federal Communications Commission
Washington, DC 20554.

Dear Sir or Madam:

Pursuant to CFR§ 2.1043, Nordic ID Oy hereby requests a class II Permissive change for Nordic ID RFID module NUR2-1W with FCC ID: SCCNUR21W.

Nordic ID would like to integrate this module into portable host device designed by Nordic ID.

Host device name / model(s) is Nordic ID EXA51e and Alien ALR-S351, 818-3A wireless data collection computer.

Also Nordic ID would like to integrate into this same host device another FCC certified module:.

Bluetooth low energy module MDBT42Q designed by Raytac with FCC ID: SH6MDBT42Q.

Nordic ID has not modified FCC certified modules NUR2-1W and MDBT42Q in any way.

Sincerely,

Rauno Nikkilä
Certification Specialist
Nordic ID Oy
