Timco Engineering Inc. 849 N.W. State Road 45 P.O. Box 370 Newberry, Florida 32669

FCC ID: SDB520X IC: 5733A-520X

Dear Sir:

The following application is submitted on behalf of our client, Advanced Metering Data Systems, LLC for evaluation of their models 510 and 520 Water Meter Data Transmitters for Certification in accordance with Part 2 and 24, 90, and 101 of the FCC rules and RSS-119, RSS-134, and RSS-210 for Industry Canada. The device was tested to the requirements of the aforementioned sections of the rules and was found to be in compliance. Although this device also contains a low power unlicensed transmitter operating at 25kHz and 50kHz, it does comply with Part 15.201(a) of the FCC rules and therefore was Verified. The Part 15 Verification report is included in this filling for the purpose of showing compliance to Industry Canada RSS-210.

Sincerely,

Kirby Munroe

Manager, Wireless Certifications
