Date 3-19-07

Gentlemen:

Sensus Metering Systems respectfully requests confidentiality of certain materials provided with the submission of the GCVTF under FCC ID: SDBCPRLM01 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

- 07-0126 - Schematics
- 07-0126 – Parts List
- 07-0126 - Theory of Operation
- 07-0126 – Block Diagram
- 07-0126 – Tune Up Procedure
- 07-0126 – Internal Photos

Confidentiality of the internal photographs is requested based on the fact this product is a non-consumer device and is not accessible by the general public. It is only serviceable by the licensee or his designated technicians.

The GCVTF has been developed at considerable effort and expense by Sensus Metering Systems. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: William Jones

Signature: _____

Title: RF Engineer
