Re: FCC ID: SDBGFL2

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus Metering Systems, Inc., for evaluation of their model GFL2 for certification under FCC Part CFR 47 Part 24 Subpart D, Part 90 Subpart I, Part 101 Subpart C.

The GFL2 is a stand-alone module consisting of a single printed circuit board which is designed to be integrated into specific host devices. The GFL2 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive style with a large initial 'R'.

Sam Wismer
