Re: FCC ID: SDBGFL2CI

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus Metering Systems, Inc., for evaluation of their model GFL2CI for certification under FCC Part CFR 47 Part 24 Subpart D, Part 90 Subpart I, Part 101 Subpart C.

The GFL2CI meter module is a battery-powered module that provides wireless communication capability to a variety of gas meters.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive style with a large, stylized 'R' and 'S'.

Sam Wismer
