Re: FCC ID: SDBHANXCVR01

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus Metering Systems, Inc., for evaluation of their model HANXCVR01 for certification under FCC Part 24D, 90, and 101.

The HANXCVR01 is a module consisting of a single printed circuit board which is designed to be integrated into specific host devices. The HANXCVR01 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kirby Munroe', is written over a thin horizontal line.
