Gentlemen:

Sensus Metering Systems respectfully requests confidentiality of certain materials provided with the submission of the IDTB001 under FCC ID: SDBIDTB001 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

- 08-0134 - Internal Photos.pdf

Confidentiality of the Internal Photos is being requested because this is a non-consumer device which is not accessible by the general public and is only serviceable by the licensee or designated technicians.

The IDTB001 has been developed at considerable effort and expense by Sensus Metering Systems. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kirby Munroe', with a long horizontal flourish extending to the right.
