Re: FCC ID: SDBIDTB002

To Whom It May Concern:

The following application is submitted on behalf of our client Sensus Metering Systems, Inc. for evaluation of their model IDTB002 for Certification under CFR 47 Part 24 Subpart D, Part 90 Subpart I, and Part 101.

The IDTB002 is a stand-alone module consisting of a single printed circuit board which is designed to be integrated into specific host devices. The IDTB002 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive style with a large, stylized 'R'.

Sam Wismer
