Re: FCC ID: SDBRGS10

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus Metering Systems, Inc., for evaluation of their model RGS10 for certification under FCC Part 24, 90, and 101.

The RGS10 meter module is a battery-powered module that provides wireless communication capability to a variety of gas meters.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive style with a large, stylized 'R'.

Sam Wismer
