Re: FCC ID: SDBSGW100

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus Metering Systems, Inc., for evaluation of their model SGW100 for certification under FCC Part CFR 47 Part 24 Subpart D, Part 101, Subpart C.

The SGW100 is a battery operated data acquisition and control device, "Water and Gas Smart Gateway", for use on FlexNet systems. Multiple sensors are available to interface with the product including: pressure, level, flow, temperature, weather, power, closure.

The SGW100 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive style with a large, prominent 'R'.
