Gentlemen:

Sensus Metering Systems, Inc. respectfully requests confidentiality of certain materials provided with the Class II Permissive Change application of the TXCVRBB01 under FCC ID: SDBTXCVRBB01 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

09-0212 – Internal Photos.pdf

Confidentiality of the Internal Photos is being requested because this is a non-consumer device which is not accessible by the general public and is only serviceable by the applicant or designated technicians.

The TXCVRBB01 has been developed at considerable effort and expense by Sensus Metering Systems, Inc.. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'.
