Gentlemen:

Sensus Metering Systems respectfully requests confidentiality of certain materials provided with the submission of the TXCVRBB01 under FCC ID: SDBTXCVRBB01 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

- 07-0026 Schematics.pdf
- 07-0026 Parts List.pdf
- 07-0226 Users Guide.pdf
- 07-0226 Theory of Operations.pdf
- 07-0226 Tune up procedures.pdf
- 07-0226 Block Diagram.pdf
- 07-0226 Internal Photos.pdf

Confidentiality of the Internal Photos is being requested because this is a non-consumer device which is not accessible by the general public and is only serviceable by the licensee or designated technicians. The User's Guide is very technical and is not provided to the consumer because the consumer cannot service or install the device. Therefore confidentiality of the User's Guide is also requested.

The TXCVRBB01 has been developed at considerable effort and expense by Sensus Metering Systems. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: William Jones
