Label Information

1.0 Label Information

1.1 General

The modular transmitter must be labeled with its own FCC ID number, and, if the FCC ID is not visible when the module is installed inside another device, then the outside of the device into which the module is installed must also display a label referring to the enclosed module.

1.2 Final Installation Labeling

Instructions for labeling of the final installation are given in Appendix B of the Installation/User's manual.

1.3 Module Labeling

Each PCB module is labeled according to the following exhibits.
