Re: FCC ID: SDBUSBXCVR2

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus Metering Systems, Inc., for evaluation of their model SDBUSBXCVR2 for certification under FCC Part 24 Subpart D and Part 101 Subpart C.

The FCC ID: SDBUSBXCVR2 refers to the Sensus USB Flexnet Micro-Transceiver (FMT), Model USBXCVR2, which is a 900 MHz – 960 MHz transceiver which connects to a laptop, handheld PC or other USB 2.0 host (Master) device using a regular USB receptacle connector. The unit is used to configure Flexnet radio modules.

The FCC ID: SDBUSBXCVR2 was tested in full and was found to be in compliance to the aforementioned test requirements.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'.
