Re: FCC ID: SDBVPPIM

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus Metering Systems, Inc., for evaluation of their model VP-DALI for certification under FCC Part CFR 47 Part 24 Subpart D, Part 101, Subpart C.

The VP-DALI module is a radio control module to be used in NEMA plug-in streetlight control products that are part of the Sensus Flexnet Streetlight Control System that allows users to monitor and control streetlights.

The VP-DALI was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive style with a large, prominent 'R'.

Sam Wismer
