To whom it may concern:

Sensus, A Xylem Company, wishes to submit the Model WFL2B, FCC ID: SDBWFL2, for a Class 2 Permissive Change. Model WFL2B is based on model WFL2A. Model WFL2B updated the Front End Module for a newer part which is pin-to-pin compatible with the previous part. WFL2B also removed one of the near field touch couple magnetic loops and replaced it with circuitry to enable either a 3-wire interface or a pulse interface for water registers.

Sincerely,
