Re: FCC ID: SDBZIGELS01

To Whom It May Concern:

The following application is submitted on behalf of our client, Sensus Metering Systems, Inc., for evaluation of their model ZIGELS01 (FCC ID: SDBZIGELS01) for a class II permissive change.

The ZIGELS01 is a stand-alone module consisting of a single printed circuit board which is designed to be integrated into specific host devices. The Class II permissive change addresses collocation of the ZIGELS01 with the FLEXELS 900 MHz telemetry module, (FCC ID: SDBFLEXELS).

The ZIGELS01 was tested for inter-modulation products when collocated with the FLEXELS module inside of host ELSTER CL200 Meter and was found to be in compliance.

Sincerely,
