Subject: Professional Installation

Dear Examiners,

Our client's product with the above listed product identification(s) is a 2.4 GHz RF Module.
The product will be installed in different Hilti Hosts at Hilti factory later, before they will be placed into the market. The antenna configuration will also be set in the factory, that the user later has no chance to do some changes or modifications here!

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Thomas Ring'.
