Re: Marketing and Professional Installation Required

FCC ID: SDV69134000

To Whom It May Concern:

Aastra Telecom Inc., hereby acknowledges that this product will be marketed and installed as stated below:

Marketing: The intended use is for industrial/commercial use and will not be sold to the general public. It will be sold to Aastra Telecom qualified and trained dealers. The dealers' Service Technicians will install the product as directed by Aastra Telecom Inc.

Professional Installation: Since the equipment used in the above reference FCC ID has standard RF connectors, the system must be professionally installed. The installer shall be responsible for ensuring that the provided antenna is employed so that the limits specified in Part 15(D) are not exceeded. It is intended for industry/commercial use.

Application: This product is intended for industrial/commercial environments. The product will only operate with the addition of various network elements typically found only in industrial/commercial environments.

Sincerely,

Simon Beebe
VP, Product Management
Aastra Telecom Inc.
