RE: CAMERON HEALTH, INC.  
FCC REQUEST FOR CERTIFICATION  
Q-TECH™ Model 2020  
REQUEST FOR CONFIDENTIALITY UNDER DA 04-1705

To whom it may concern:

Cameron Health, Inc., hereby requests that under public notice DA 04-1705, the documents listed below and attached with this application for certification of the Q-TECH™ Model 2020 be provided with confidential status for a renewable period of 90 days until the device and associated system is approved for clinical study in the United States:

- Internal photographs
- User Manual
- Antenna Information

Our device is for use with an implantable medical device subject to the approval procedures of the Food and Drug Administration. We request that the above contents of our application for FCC approval be held temporarily confidential until an Investigational Device Exemption is granted by the FDA, allowing us to begin clinical trials in the United States.

Sincerely,

Mark Schroeder
