Federal Communications Commission  
74.5 Oakland Mills Road  
Columbia, MD 21046

Subject: FCC ID: SEJ-V3

Gentlemen:

This letter and the accompanying documentation are provided in support for Original certification of Zonar Systems 'V3' Telematics device. The V3 device is a heavy-vehicle mounted telematics device that gathers vehicle data (GPS location, vehicle diagnostic information, etc) and sends this data to the Zonar database servers via a 2G/3G GSM modem. The V3 also includes an 802.11 b/g/n (single connection) radio module. Zonar Systems is seeking approval for the V3 device as an Intentional Radiator as per FCC parts 15.247, 22H, and 24E with FCC ID SEJ-V3.

Sincerely,

  
Kelly Niemi  
Manufacturing Engineer  
Zonar Systems Inc.
