RE: FCC ID:SEJ-V3

To Whom it May Concern,

Northwest EMC, Inc. approved an application on 6/1/12 for Zonar Systems, Inc. (FCC ID:SEJ-V3). The applicant initially provided a Draft User Manual which was uploaded as part of the original filing. They have now provided a final User Manual which we would like to upload to replace the draft version. Northwest EMC has reviewed the final manual and attest that it doesn't contain any changes that affect the grant and does contain all of the necessary information and warning statements.

Sincerely,

Dean Ghizzone
