7435 Oakland Mills Rd
Columbia MD 21045

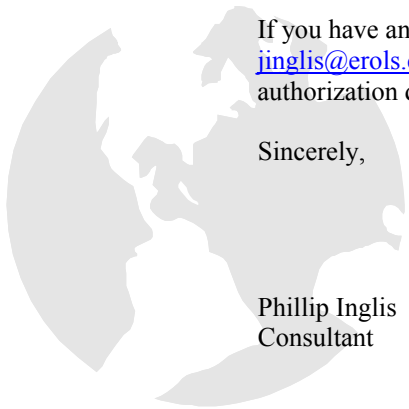

Gentlemen:

Submitted herewith is a request for certification of a GSM pcb BT card FCC ID: SEK41377S1 that will be used in hand held point of transaction banking terminals, Models Smash and Smash D. According to published FCC policy, this type of device is subject to mobile requirements for RF exposure.

If you have any questions, please call Phillip Inglis at 410 531 3439 or contact via email at jinglis@erols.com. It is also requested that you forward copies of any correspondence and authorization documents to the email address specified above.

Sincerely,

Phillip Inglis
Consultant
