Test report.PDF

Hi Helen,

Thanks for your quick re-mail and remind.
Attached please find the new test report and we have modified page 10.
Any questions please feel free to contact with me.

Best regards,

Joe Hsieh
ETC, Taiwan

Hello Joe,

Please refer to the following question.

Thank you,
Helen

Question #1: Page 10 of the test report is incomplete. Please show peak measurements, properly adjusted by duty cycle correction factor, compared to average limit listed in FCC15.231. Please make sure both peak and average measurements meet peak limit and average limit respectively.

Best regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
