Your inquiry has been submitted to the Laboratory Division of the FCC Office of Engineering and Technology. You will receive a response within two business days. Please be sure to retain the inquiry tracking number displayed for future reference and questions concerning the status of this inquiry.

Inquiry Tracking Number: 283942
Date of Submission: 08/21/2006

Question: Dear FCC, we have a 3G mobile phone (CDMA-2000), FCC ID: SG70606HC-D1600. According to Telephone Conferene from May 9, 2006, the filing must contain a record of the required correspondence with the FCC and TCBS must ask advice from FCC prior to certifying a 3G device. I herewith ask for advice. With best regards, Detlef Lachmund

Betreff Response to Inquiry to FCC (Tracking Number 263942)

SPAM-Core

Inquiry:
Dear FCC, we have a 3G mobile phone (CDMA-2000), FCC ID: SG70606HC-D1600. According to Telephone Conferene from May 9, 2006, the filing must contain a record of the required correspondence with the FCC and TCBs must ask advice from FCC prior to certifying a 3G device. I herewith ask for advice. With best regards, Detlef Lachmund

Response:
Thanks for your inquiry. For reference, note the following from June 2006 TCBC conference call notes:
[KDB] Publication 941225 contains the updated 3 G SAR test procedure. See attached.
The 3 G procedure is an update that includes information distributed at last months TCB conference call.
Discussion:
This new version is available on the FCC KDB and the TCB Council web site.
Greg Czumak asked when this will be required.
Kwok indicated HSDPA was included in this version and a few editorial typos from the previous draft were corrected. The procedures were extended to CDMA 2000 Rev. A and WCDMA Rel. 5.
This is effective immediately.

TCBs must contact OET/Lab for any 3G device falling outside the scope and parameters specified in KDB 941225 and attachment therein.

Do not reply to this message. Please select the [Reply to an Inquiry Response](#) link from the OET Inquiry System to add any additional information pertaining to this inquiry.
