

Correspondence Summary

January 19, 2009

SUBJECT: HAIER TELECOM (QINGDAO) CO., LTD. - FCC ID: SG70812HC-C2060

TCB question:

This device has provisions for connection to a class B personal computer (USB connector port). As a result, the computer peripheral portion of this product is subject to the Declaration of Conformity (DoC) or Certification procedure. Please provide either:

A) An attestation letter from the Grantee stating that the “Declaration of conformity procedure will be applied...”

OR

B) Revised label content showing the FCC DoC logo per part 15.19(b)(1)(i)

OR

C) A 731 form (JBP equipment class) along with a part 15 subpart B test report and exhibits required under 2.1033(b)

Applicant's Answer:

2. Usb port: Actually, it is not only a charger port and not a USB port. The device can not communicate with computer by this port, the mobile is also can not charged by USB label.
