SUBJECT: HAIER TELECOM (QINGDAO) CO., LTD. - FCC ID: SG7090824HC-FC500

TCB question:

1. Part 15.101(a): This device connects to a class B personal computer (USB connector port). As a result, the computer peripheral portion of this phone is subject to the Declaration of Conformity (DoC) or Certification procedure. Please submit either:

- a. An attestation from the Grantee stating that the "Declaration of conformity procedure will be applied" OR*
- b. A revised label content showing the FCC DoC logo per part 15.19(b)(1)(i) OR*
- c. A 731 form (JBP equipment class) along with a part 15 subpart B test report and exhibits required under 2.1033(b)*

Applicant's Answer:

We ensure that the USB port is only used for battery charging. The EUT can not communicate with PC or transmitter data by USB port. So we did not test part 15.101 and submit this filling.
