

Labble Location Justification Letter

November 25, 2013

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

About the FCC ID Label Location, we do the description as below:

1. Because the back cover is knock-down, so the FCC label was placed in the battery compartment.
2. When the user take out the battery, FCC identifier or label will be readily viewable.
3. When the user purchase the phone, take out the battery and check the FCC ID information for checking.
4. The phone is sold without the battery installed, and the user will see the FCC ID, when the user installs the battery at the time of purchase.
