**Manufacturer's Statement  
FCC ID location justification  
FCC ID: SGI-MIM002**

**TO WHOM IT MAY CONCERN**

We, the undersigned, hereby submit the justification for placing the FCC-ID in the associated User Manual for the Hearing Aids having the above mentioned FCC-ID.

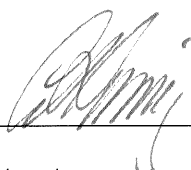

According to KDB Publication 784748 D01, when the device is so small, or for such use that it is impracticable to label with a font size that is four points or larger (and the device does not utilize electronic labeling), then the FCC-ID shall be placed in the User Manual.

Hearing Aids having the above mentioned FCC-ID are so small, and considering the dimensions of the equipment and the label area, it is impracticable to label FCC-ID with a font size required on the devices.

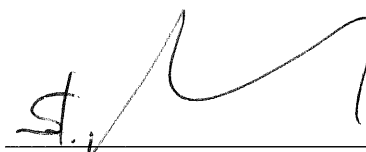

Therefore the FCC-ID label is placed in the User Manual.

If you have any questions feel free to contact us at the address shown above.

Yours sincerely,
